

SP1006 Stripping Pliers

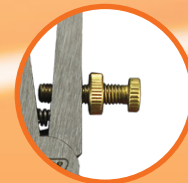

Major Tech's 160mm Stripping Pliers, crafted with precision from quality 50CRV Chrome Vanadium for durability and reliable performance. The spring-assist opening and easy-to-adjust stop with a locking nut ensure efficient cable stripping, accommodating sizes ranging from 0.3mm to 6.0mm². Designed with heavy-duty 1000V TPE handles, these pliers prioritize safety, individually tested to 10,000V to meet rigorous standards. With a length of 160mm, a 44mm head, and a handle length of 124mm, these Stripping Pliers provide a compact yet powerful solution for various electrical applications, delivering both precision and safety in every use.

Features
