

SE0213 Ear Defenders

Major Tech's Lightweight and Durable Ear Defenders, designed to offer optimal protection against high noise levels while ensuring comfort and adjustability. These ear defenders are fully adjustable to provide a customized fit for every user, allowing for prolonged wear without compromising on comfort. Manufactured in accordance with BS 6344 Part 1 standards, they meet stringent safety requirements. With a thoughtful design, these ear defenders prioritize user comfort and protection in environments where noise exposure is a concern. The dimensions of 180mm in length, 180mm in width, and 80mm in depth make them conveniently compact and easy to carry. Elevate your safety measures with our reliable and high-quality ear defenders, ensuring a secure and comfortable experience in noisy environments.
