

CSR0400 Cable Cutter

Major Tech's 500mm² Cable Cutter is a robust tool designed for cutting cables with precision and efficiency. It can handle a maximum cutting range of 500mm² for aluminum conductors and 400mm² for copper conductors, making it perfect for various cable types. However, please note that this cutter is not suitable for cutting solid bars or cables with steel cores, wire, and rope.

Features

- **Cutting range:** 500mm² Max for Aluminium conductor
- **Cutting range:** 400mm² Max for Copper conductor
- **Note:** Not suitable for cutting solid bar or cable with steel cores, wire & rope

| Product Code | Length |
|--------------|--------|
| CSR0400 | 410mm |
